AUTUMN
WINTER
2017/18

Leeds
CITY COUNCIL

Welcome

Welcome to the autumn-winter edition of Out and About. This leaflet is produced by Leeds City Council's Parks and Countryside Service and aims to give you a taste of what's going on at our sites from Oct 2017 – March 2018.

The events and activities featured in the leaflet provide a range of entertainment designed to help you enjoy the great outdoors locally, even if the weather's not so great! It's hard to miss the six Leeds City Council bonfires taking place across the city on Friday 3rd November but we've got everything from Halloween at Temple Newsam to the Magical Christmas celebration at Lotherton Hall as well. And for those more interested in the natural world, why not try a fungal foray or apple day.

Because there isn't much room in the leaflet, we can't list every event that's taking place so, to keep in touch, follow us on **Twitter @leedsparks** or **Facebook 'Leeds Parks'**. There's also some great events featured at www.leedsinspired.co.uk.

Also due to lack of space, only our most popular sites are featured, but we look after lots of other parks and green spaces across the city. To find out more visit www.leeds.gov.uk/parksandcountryside.

Other parks in Leeds

Due to limited space this leaflet only features our major parks and visitor attractions but there are literally hundreds more parks and green spaces in Leeds to enjoy. To find out more visit: www.leeds.gov.uk/parksandcountryside.

Volunteer!

Have fun; improve the environment; get some exercise; learn new skills. These are all reasons why people volunteer with the parks and countryside service – why not join them?

Volunteer Groups There are over 50 volunteer groups working alongside the Parks and Countryside service. Groups range from the Friends of Middleton park to the Friends of Lawnswood Cemetery and they do all sorts – nature conservation, organising events, fundraising, gardening etc. They are friendly, welcoming and always looking for new members! Contact us for a list of groups, or for advice on setting up your own.

Corporate Volunteering

For a team building day with a difference, why not volunteer for the parks and countryside service? A variety of tasks are available, ranging from tree planting to painting playgrounds.

For more information or to get involved visit:
